

Arkansas Orthodontics

VOTED **best** orthodontist IN NORTHWEST ARKANSAS

(CITISCAPES MAGAZINE READERS POLL 2009 & 2010)

Arkansas Orthodontics is the premier orthodontic practice in Northwest Arkansas, the River Valley and the Ozarks, committed to providing excellent, affordable treatment for patients. Established in 1990, we have a quality, highly seasoned staff at our five locations, each seeing 35 to 100 patients per day.

NW Arkansas is known for its booming business environment and fast growing economy. Residents enjoy a low cost of living and increasing job market. Nestled in the Ozark Mountains, NW Arkansas is rich with peaceful bluffs, lakes, rivers and rolling hills while having all the amenities of major metropolitan areas and a vibrant night life.

Clinical Director, Bill Pickard "Dr P." can recognize "his" faces anywhere. Bringing forty years of experience to Northwest Arkansas, he never tires of watching smiles evolve over the course of treatment.

His passion for mentoring the "future of orthodontics" shows in his commitment to excellence across his practice. He is assisted by a brilliant team of orthodontists and general dentists at Arkansas Orthodontics' 5 locations.

Building a powerful, collaborative team is the chief contributor to Arkansas Orthodontics' success. We value fresh ideas and reward an eagerness to learn with guidance, trust and opportunity. We are actively seeking ambitious team-members to join our award-winning practice.

We offer \$230k per year with a three year contract for a four day work week, & a \$10k sign-on bonus.
